Dear Sir,

GRATITUDE

We write to express our profound and sincere thanks to you and your team for shipping assorted books to us. The books include Mathematics, Fiction & Non Fiction, History, Medicine, Children reading books and Information Communication Technology.

The Library is located in our school, but open to other schools in the area as well as people in our community. Both parents and kids are excited to have our library stocked with these valuable books.

Once again, we wish to express our unspeakable thanks to you, your organization, those who made the donations and Humanitarian Hands Foundation who made it possible to send about twenty thousand books (20000) to our door steps. Aren't this amazing? We are glad that both children and adults would acquire knowledge that cannot be taken away from them, which would go a long way to transforming their lives as well as improve their academic excellence.

On this note, we ask for God's abundance blessings on you in all your endeavours. We hope that our relationship would be strengthened so we could do more for the benefit of humanity.

Yours faithfully,

DIRECTOR
